

13 doubly important for the Olsen twins

What are **Mary-Kate and Ashley Olsen** getting for their 13th birthday? For starters, the Fox Family Channel will air 13 hours of all things Olsen on Sunday, starting at 9 a.m. ET/6 PT. The twins will celebrate with friends and family in L.A. before jetting to Paris to work on the direct-to-video *Passport to Paris*, in which each has her first screen smooch.

And when not working, the girls surf the Net. Bookmarked: *Felicity*, *Dawson's Creek* and *Friends* Web sites.
